

I am excited to return for my second year at Wichita Friends School! I grew up in the Wichita area, attending grade school at Holy Cross Lutheran, and high school in Mulvane. I then went to Kansas State University and earned a B.A. degree in English Literature.

After working at a daycare in Portland, OR for a few years, my husband, Cory and I caught the travel bug. We traveled all over South America for six months, and then took off for Beijing, China, a one-year stint which turned into 3 and ½!

During that time I taught English to children from preschool to 7th grade. I also worked with a team that developed a preschool curriculum for Chinese children learning English, and wrote a textbook that is now being turned into a TV program in China!

When I returned to America I knew that a preschool classroom was where I needed to be. I feel blessed that WFS and I found each other at the right time!
