

## Ms. May's News!

We had an awesome first full week of school! This week I have worked on assessing each student to see where everyone is. Everyone is doing wonderful. Students got to spend time in centers learning and playing with their new friends at school!

Next week we will begin our new reading curriculum. We will be spending a lot of time talking about the Kitchen. I think all the students will really enjoy this curriculum- it is a lot of fun! We will also begin our math groups too. We will be doing a mix of number review and Saxon Kindergarten math.

Thank you everyone for coming to our parent orientation. I just wanted to say again, that if you ever have any questions or concerns please let me know. Since we did not have too long, I had to cut some stuff out of my part that I usually present on Orientation night. I know this is old info for some of my parents, but I always like for my parents to know a little about me. I am the oldest of 6 children. I have 2 sisters, Lindsay (24) and Lei Ann (9). My brother's names are Joshua (16), Jacob (14), and Matthew (5). My sister Lindsay has 3 children; Avah (3), Blayne (20 months) and Cooper (6 months). We call them ABC for short! I have a spoiled Boston terrier named Lexy, who is my baby! I went to college at Southern Nazarene University (in Bethany, Oklahoma) and graduated with my BS degree in Elementary Education in 2008. This will be my third year teaching at Wichita Friends School. I attended Wichita Friends School when I was in 3<sup>rd</sup> and 4<sup>th</sup> grade, so I have been familiar with the school for a while. I love kids and I love teaching. That is just a little info on me!

I hope everyone enjoys there weekend! I look forward to seeing everyone back next week!  
Jessica May
