- Stewardship-taking care of our resources

Each month, students will be recognized for showing some of the characteristics.

This month's awards go to: **Liliana Loffer, Gabrielle Beck, Andrew Huynh, Jady Flynn, Rebekah Heck and Taylie Bouska**. Their full award can be read on the parent information bulletin board in the foyer.

Red Wheel

Red Wheel orders and money are due Friday October 2nd - the orders will help us purchase new playground equipment.

Traffic Flow

With winter weather right around the corner, attention to traffic flow is important. Please be aware and follow the Traffic Flow Plan listed below:

- Enter the drive on the right side of the circle.
- Please do not park in front of the pillars at any time.
- Drop off/pick up traffic pull to the right and parents stay in the cars. Pull forward as cars move out using the sidewalk for the loading/unloading zone. Do not pull around cars in front of you and re-enter this line.
- Parents who are parking and bringing children in, park on the left shoulder of the drive OR park to the west of our building.
- Please keep your children with you so that other drivers can see them.
- The interior of the circle should be free for moving vehicles.
- Please watch for children darting out between cars.

Friday's chili and soup cook off was well attended and big success! There was \$137.00 raised to add to the playground fund.

The winners were:
